

QUICK PATCH®

UV Light Activated Repair Patch

Save Time and Money with a Quick, Easy Repair for Roll Out Carts!

WHY USE QUICK PATCH?

- No Glues, Chemicals, or Resins Needed
- Simply Peel it and Seal it
- Cures hard as steel
- Sand, paint or drill after curing
- Will work on almost any hard surface
- Chemical, solvent and oil resistant
- Rot-proof, waterproof, weather-proof
- Impact Resistant
- Also works on all metals, Polyethylene, fiberglass, and tanks

HOW IT WORKS:

1. Clean and/or dry the area
2. Apply Quick Patch, pressing corners and edges to make a tight seal
3. Place in the sun or use a UV flashlight for 5-10 mins to cure
4. Sand and/or Paint

IT'S THAT SIMPLE!
